

## **Belgrave St Peter's CE Primary School**

### **PE and Sports premium 22-23**

#### **What is the Sports Premium?**

The Government is providing funding of £150 million per annum to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Headteachers to spend on improving the quality of sport and PE for all their children. The sport funding can only be spent on sport and PE provision in schools. This funding will be ring fenced, and will be allocated directly to primary schools across England, providing them with dedicated resource to buy in invaluable expertise and support. Funding will be allocated through a lump sum for each, Belgrave St Peter's CE Primary will receive a lump sum of £17,620 for the year 2022-23.

Here is a link to the Department of Education Primary School's Sports Premium page:

<https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools>

#### **Purpose of funding**

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, you can use your funding to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- run sport competitions
- increase pupils' participation in the School Games
- run sports activities with other schools

### **How will we be spending the Sports Premium and who will benefit?**

The Governors agree that the money must be used so that: all children benefit regardless of sporting ability; that the higher attaining children are given the opportunity to compete in advanced tournaments; that staff have access to training opportunities and continued professional development. We also agree that all children should be encouraged to develop healthy lifestyles.

For information about the monitoring, impact and success of the PE funding for 21-22 please see the 2021-22 review document on the school website.

### **Total allocation for 2022-2023- £17,620**

#### **Monitoring the sustainability of the PE Funding**

- CPD opportunities both in and out of school
- We are committed to the long term encouragement of healthy lifestyles. Our school will continue to provide opportunities during break times, lunchtimes, extra-curricular clubs and active lessons.
- Our links with local PE providers and local clubs will provide motivational and inspirational benefits for our children.
- We will continue to be part of the Leicester City School Partnership and Network which will ensure sustained PE leadership in school, future CPD opportunities and continue school games competition.
