

'And now we have these three: faith and hope and love, but the greatest of these is love.'
1 Corinthians 13:13

Goodbye

Today we said goodbye to Mrs Kaur who is leaving us after 18 years. During her time at Belgrave, Mrs Kaur has supported many children and she will be greatly missed around school. We wish her all the best and hope that she comes back to visit when she can.

Changing Weather

As the weather starts to deteriorate may we remind you that children should be coming to school in appropriate shoes as we do use our school field every day. All children should also be wearing a coat to school.

Breakfast Club

Our breakfast club opens at 8.00am, the club is now open to Nursey children. The club offers healthy breakfast options for £2.00 a day. Please book your child's place via Arbor. Free spaces available for pupil premium children (free school meals).

Harvest Festival

Our annual Harvest worship will take place next Thursday afternoon. This is a lovely opportunity for us to celebrate together, with the children showcasing their artwork, singing and sharing prayers. Thank you to those of you have made donations of foods and toiletries. If you have any further donations that you would like to share, then can these please be brought into school before Thursday. Thank you for your support.

Parents Evening

Next week we have parent's meetings on Monday and Wednesday. This is a great opportunity for you to discuss your child's learning and progress with their class teacher. We have the following opportunities for you on these evenings, so please make sure to pass by the main school hall:

Monday: Staff from the NHS nursing and mental health team will be around to answer any questions that you may have.

Wednesday: We will have a book fayre in school for you to purchase stories and texts to share and enjoy at home.

On both nights we will have food tasting samples providing by our kitchen team, so make you pop in to try some tasty treats.

Book Fair

The Scholastic Book fair will be in school on Wednesday 11th – Friday 13th October in the school hall from 3.30 pm please come and have a look and help us to earn free books for the school

Mental Health

What is mental health?

We all have mental health. Mental health is made up of thoughts, feelings and emotions.

Our mental health can affect our behaviour and how we act. It can also make us feel sick, like there are butterflies in our tummy, unmotivated or distracted. It can affect the choices we make and how we handle situations, including things we find hard. It can also impact the way we treat or talk to our friends and family.

Our mental health does not stay the same all the time. Sometimes our mental health will be good and we feel happy or content.

There might be times when you feel sad, angry, upset, lonely, frightened or tired. It is important to remember it is okay to have these feelings. They are normal. We all have emotions that make us feel bad sometimes.

But when you feel sad or upset for a long time you might need some help from grown-ups to deal with those emotions and feel better.

Other sources of help

Learning we've been buzzing about this week!

Nursery News

Nursery have been very busy this week mark making using large paper and creating big shapes.

Reception News

Reception have had lots of fun exploring our new construction area this week. We have been working together to plan, design and build some fantastic buildings

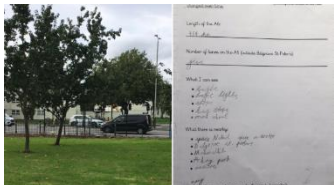

Year 2 News

In year 2 we have started our new science topic of living things and their habitats. We have learnt how to identify whether something is alive, dead or inanimate.

Year 3 News

In year 3 we have carried out an investigation into the A6 and how it has changed over time. We worked out that approximately 1800 cars might drive towards Leicester in one hour!

Year 4 News

Year 4 making their recycled musical instruments for DT!

Year 5 News

In year 5 this week, we were discussing teamwork and collaboration; we evaluated the value of roles and structure in ensuring that a team reaches its goals. We had a great time!

Year 6 News

Year 6 have been conducting experiments to understand the processes of diffusion and osmosis
