Pupil Absence and Medical Appointments

We often receive messages stating that a child is 'ill', 'poorly' or 'not in today'. These reasons have to be recorded as unauthorised absences. Could you please state the exact reason for your child's absence, so it can be authorised. If your child has a medical appointment in the morning or afternoon, we do not expect them to be absent for the whole day; if this is the case, part of the day will be recorded as unauthorised. We also need to see proof of any medical appointments.

Thank you for your help with this.

Learning Leave During Term Time

Parents and carers should ensure that family holidays and any term time leave are arranged outside of school term time. Parents and carers should not remove their child from school during term time without having first requested a leave of absence in writing from the Headteacher.

All requests for authorised absence will be responded to by telephone call, email or in writing and will only be authorised in exceptional circumstances.

If permission is not granted, but the child is still absent, the absence is classed as unauthorised and parents/carers may be issued with a penalty notice of £120 per parent, per child.

Please remember to contact the school office for all your attendance queries. It is important to speak to school if you are thinking of taking your child out of school for the purpose of a holiday. We would like to avoid issuing penalty notices as much as possible and together we may be able to work together to prevent Penalty Notices being served.

We are extremely pleased with our school attendance, 42 children achieved 100% attendance this term.

Congratulations to all the children and thank you to all the parents and carers that continue to ensure their children attend school each day.
