OFSTED inspection report - April 2025

Dear parents and carers,

I am writing to share with you the outcome of our recent Ofsted inspection, which took place on 1st and 2nd April 2025.

This inspection marks an important moment in our school's journey since joining the Rise Multi Academy Trust in January 2022. The report reflects both the progress we have made and the areas we continue to work on with dedication and ambition.

We are pleased that the inspection recognised the school as a welcoming and inclusive environment, where pupils behave well, feel safe, and benefit from a rich range of experiences. The report acknowledges the positive changes that are already making a difference in school life.

Inspectors also identified areas for improvement, particularly in ensuring consistency in the teaching of phonics and reading, embedding our new curriculum, and supporting pupils with SEND. These are areas we had already recognised and begun working on prior to the inspection. Internal data shows that we are making clear progress, and we remain committed to continuing this work with energy and determination.

This inspection was not a full graded inspection, but it has signalled that our next visit will be. We see this as an opportunity to demonstrate the full impact of our ongoing improvements.

Thank you, as always, for your continued support. Your partnership plays a vital role as we strive to make Belgrave St Peter's the very best it can be for every child.

Warm regards,

Alex McLugash
Acting Headteacher
